Never give up on dreams

Dr. John Watford
President, SGTC

Paulo Coelho, the Brazilian lyricist and novelist, is credited with saying, "There is only one thing that makes a dream impossible to achieve: the fear of failure." Coelho wrote the book "The Alchemist," and encouraged individuals to follow their dreams. He challenged people to never give up on dreams, no matter how difficult the journey may seem.

The ending of one year and the beginning of another year reminds me that every new year is a unique opportunity and it should not be wasted! In December, I had the privilege to look out over a gym full of individuals who had achieved their dream of attaining a college education. Graduation is a special time. It may be the culmination of one chapter, but it is also the beginning of so many more opportunities.

South Georgia Technical College's mission is "workforce education." We are in the business of helping people accomplish their dreams of an education that leads to the career of a lifetime. Some of the people in the graduation audience may have had a difficult journey. But they persevered and are now moving on to their next dream or goal. Others may be wrestling with the thought of can I go back to school and obtain my diploma or degree?

If that is the case, South Georgia Technical College is here for you. We encourage students to step up and step out in faith to push themselves to become better. SGTC has been ranked the best community college in Georgia for five consecutive years by two different agencies. We have over 200 associate degree,

diploma, and technical certificate of credit programs of study available to individuals who are motivated to achieve their dreams. The college has a 100% job placement rate and exciting career opportunities for its graduates.

South Georgia Technical College was ranked as the fifth best college in Georgia to earn an associate degree according to UniversityHQ and the college added two new associate of applied science degree options for individuals hoping to return to college. SGTC now has an associate of applied science in technical studies and an associate of applied science in allied health professions. Both can be added

Verification of Lawful Presence in the United States

Effective January 1, 2012, all students applying for in-state tuition must provide validation of lawful presence in the United States. The following documents will serve as proof of lawful presence in the United States and documentation will be required before you are eligible for consideration of in-state tuition:

- A current Driver's License issued by the State of Georgia after January 1, 2008.
- A current ID issued by the State of Georgia after January 1, 2008.
- A current Driver's License or ID issued by a state that verifies immigration status and only issues to persons lawfully present in the United States.

The Technical College System of Georgia (TCSG) will accept the following:

- **Alabama:** Issued after August 1, 2000
- **Florida:** Issued after January 1, 2010 AND have a gold star in the upper right hand corner.
- **South Carolina:** Issued after November 1, 2008
- **Tennessee:** Issued after May 29, 2004.
- A certified U.S. Birth Certificate showing the student was born in the U.S. or a U.S. territory. A photocopy is not acceptable.
- An approved completed FAFSA for the current financial aid year.
- A current, valid Permanent Resident Card (USCIS form I-151 or I-551).
- A current, valid military identification card for active duty soldiers or veterans.
- A U.S. Certificate of Birth Abroad issued by the Department of State (DS-1350) or a Consular Report of Birth Abroad (FS-240).
- A current U.S. Passport.
- A U.S. Certificate of Citizenship (USCIS form N-560 or N-561).
- A U.S. Certificate of Naturalization (USCIS form N-550 or N-570).

Any student who cannot be verified as lawfully present in the United States is not eligible to be considered for in-state tuition, regardless of how long he or she has lived in Georgia. In addition to being lawfully present in the United States, students must meet the in-state tuition requirements as outlined in TCSG Board Policy and Procedure V.B. 3 to warrant an in-state classification. Students that are initially classified as out-of-state and successfully petition to have their residency changed to in-state also have to meet the verification requirement.

MISSION STATEMENT

As a member of the Technical College System of Georgia and a residential institution of higher education, it is the mission of South Georgia Technical College to prepare individuals for success in the workforce by providing accessible, high-quality associate of applied science degrees, diplomas, technical certificates of credit, and non-credit programs and services that support the needs of citizens, businesses, and industries within our service delivery area in Southwest Georgia.

Statement of Purpose

To realize the distinctiveness of its mission, South Georgia Technical College is committed to:

- Providing a broad range of campus based and online instructional credit courses that lead to an associate of applied science degree, diploma, or technical certificate of credit as well as non-credit course offerings and services which support workforce development
- Supporting learner success through quality student services
- Promoting economic development through partnerships with business, industry, government, and local communities
- Providing accessible educational facilities and state-of-the-art equipment and technology
- Providing a qualified faculty and Staff
- Providing administrative support through analysis, planning, and budgeting
